

Click on the “Training” button to get to the Training page
<http://www.pioa.net/Training.php>

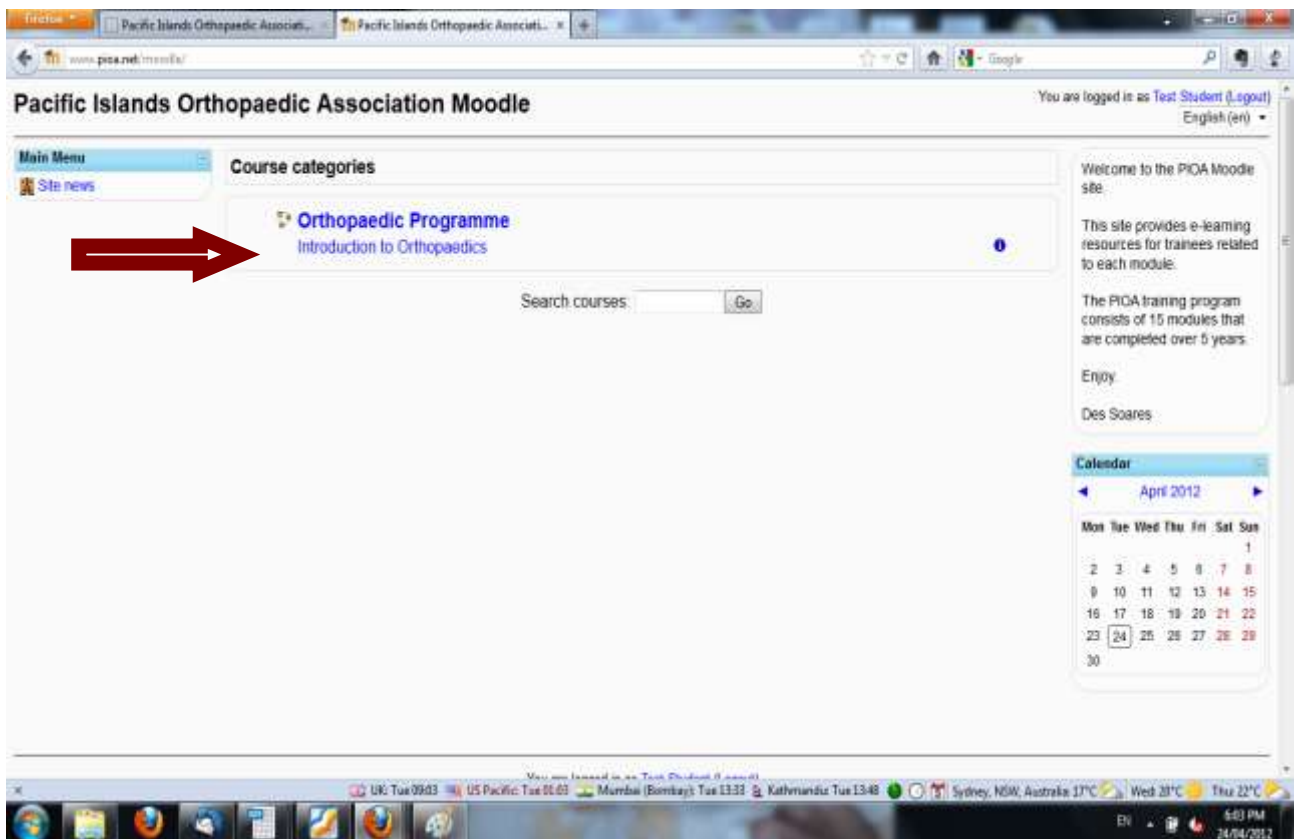

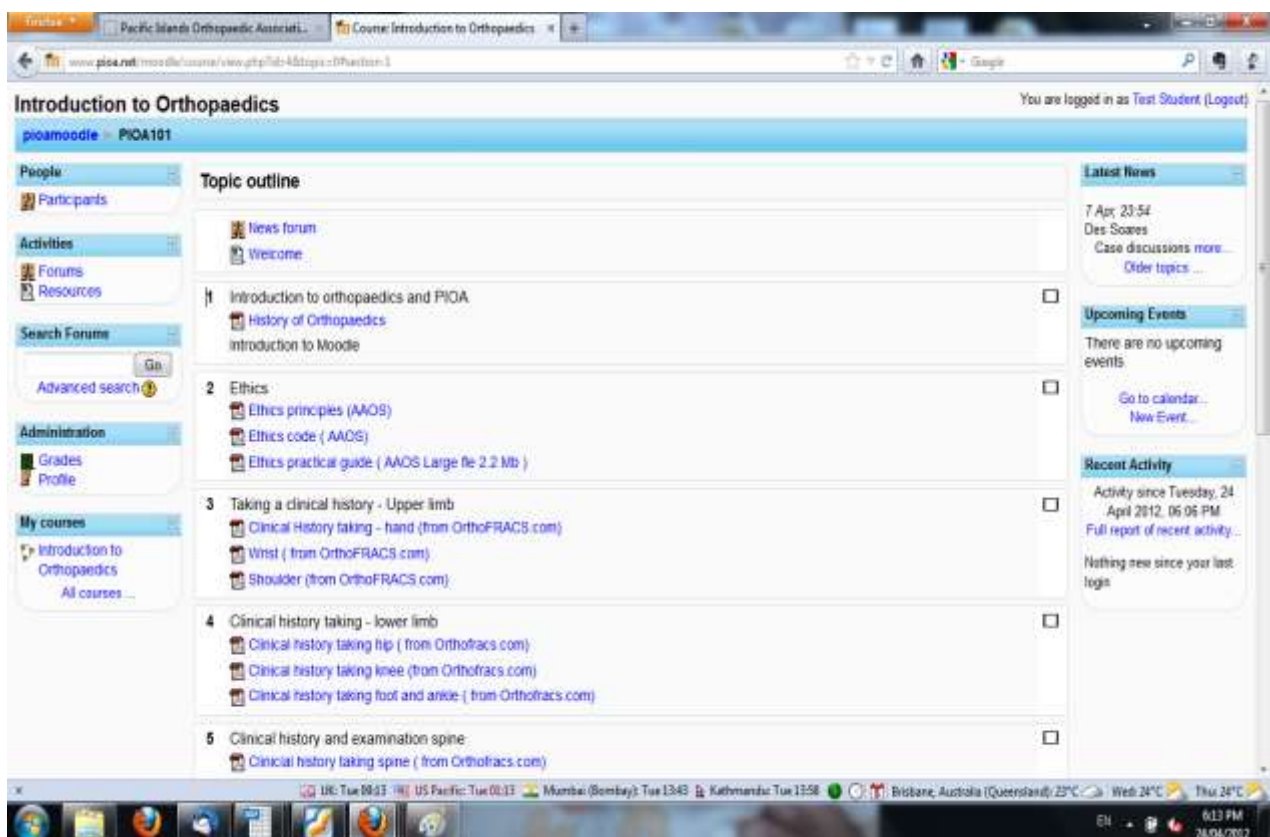

You are now at the PIOA Moodle home page
<http://www.pioa.net/moodle/>

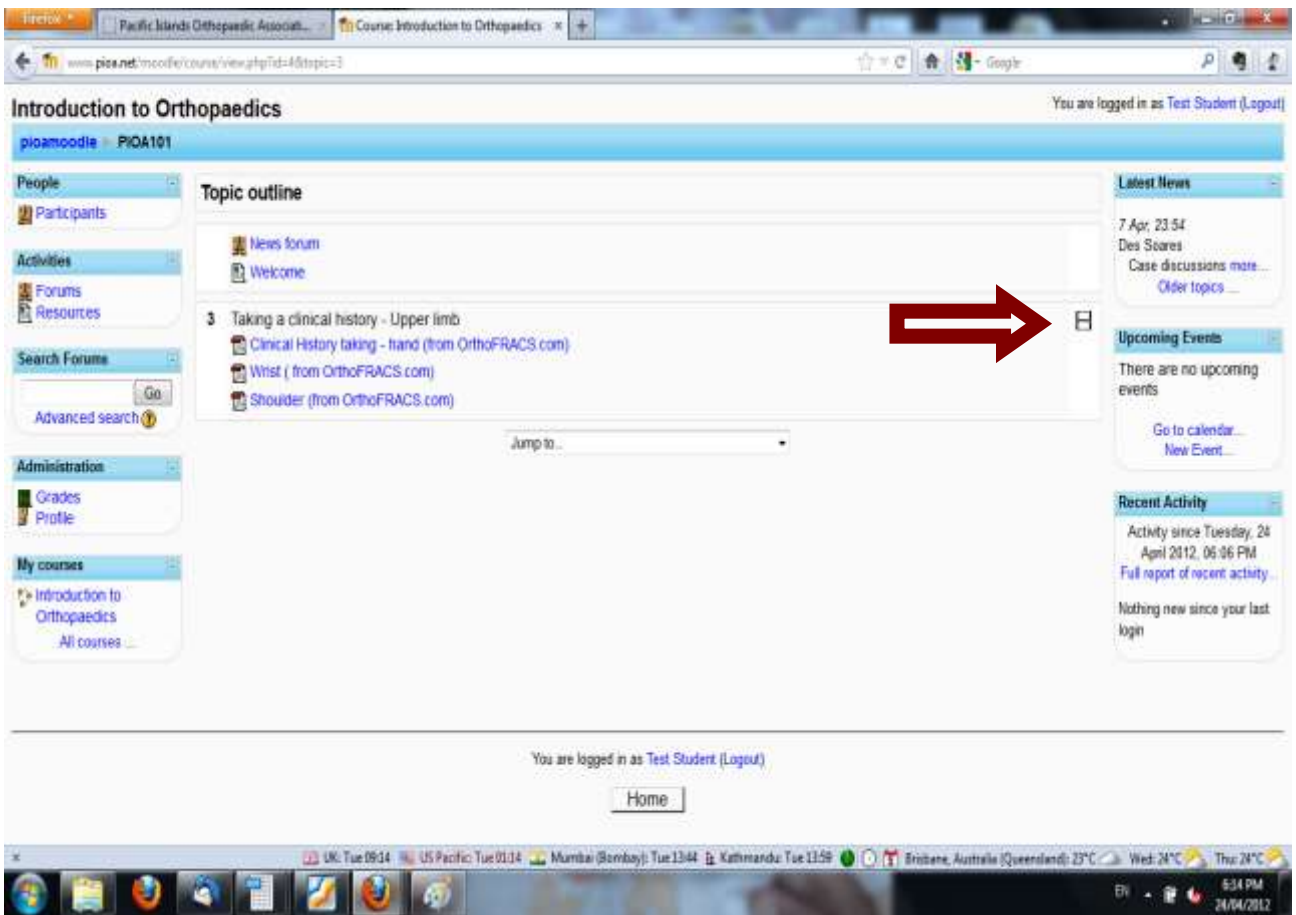

Log in by clicking the **Login** button at the top right hand corner of the page
Enter your username and password

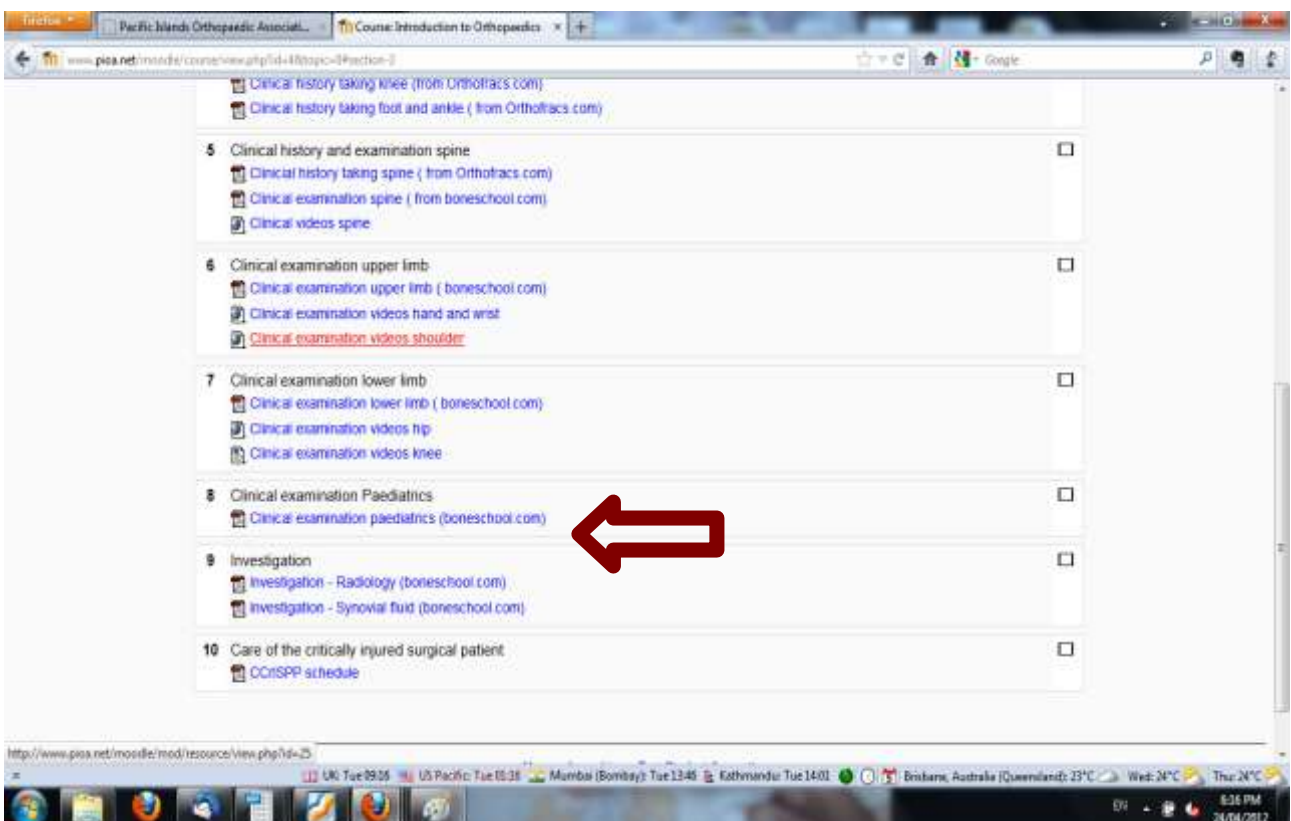

Click on “Introduction to Orthopaedics” to see the first course
<http://www.pioa.net/moodle/course/view.php?id=4>

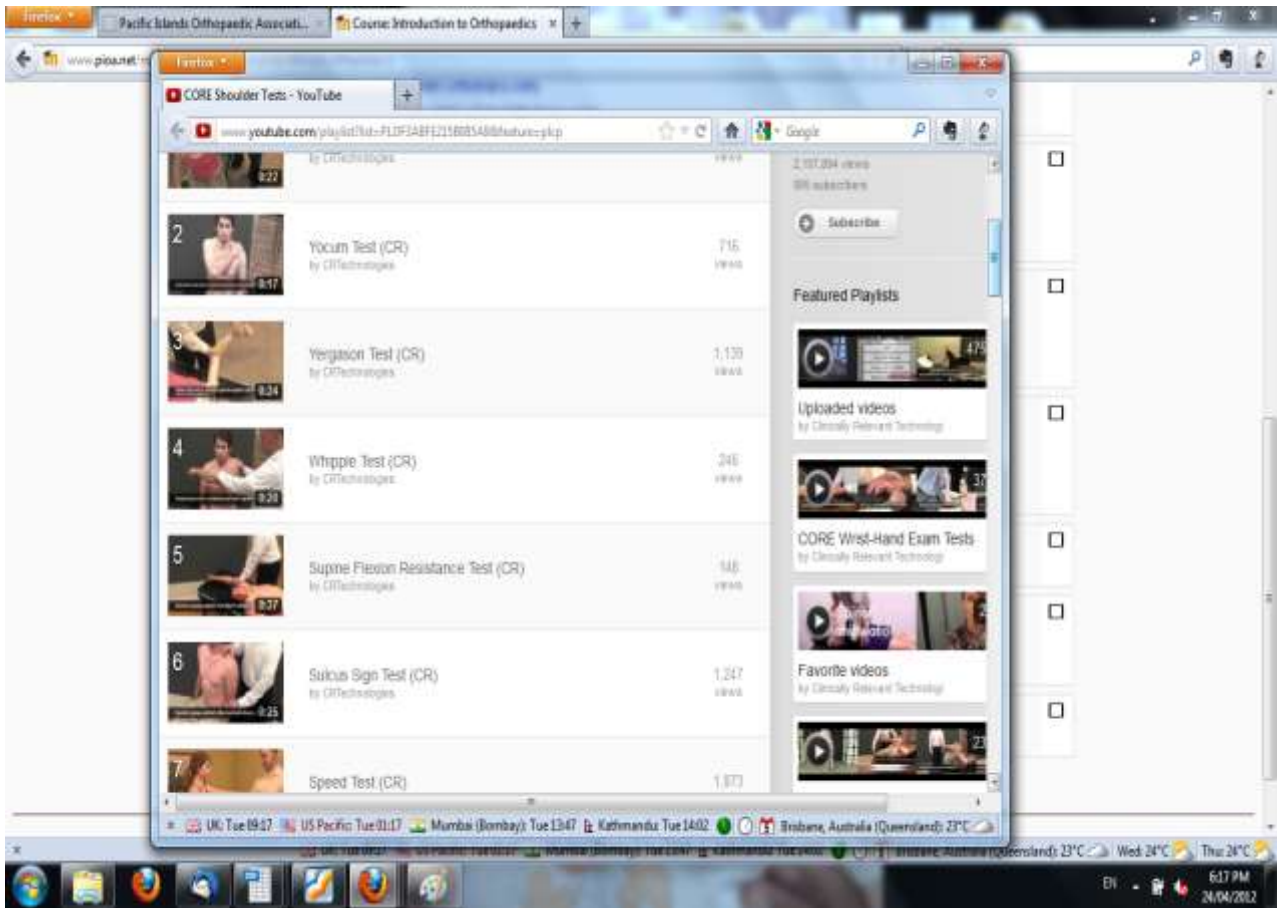

Click on the rectangle to the right to toggle between viewing all topics or just one topic. This can help you cope with a cluttered screen.

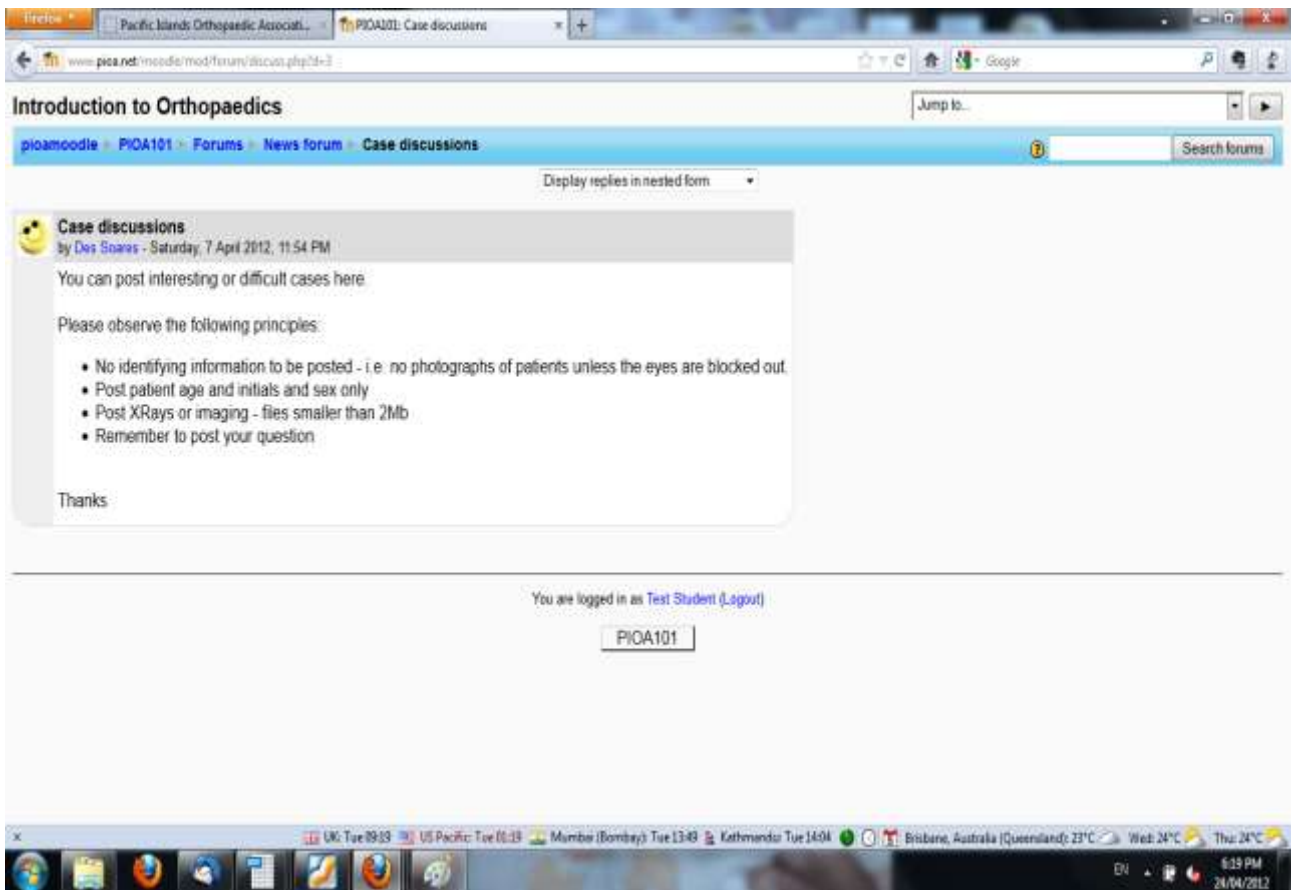

Click on any topic to read more information. This may be a pdf file or a web link or a link to videos.

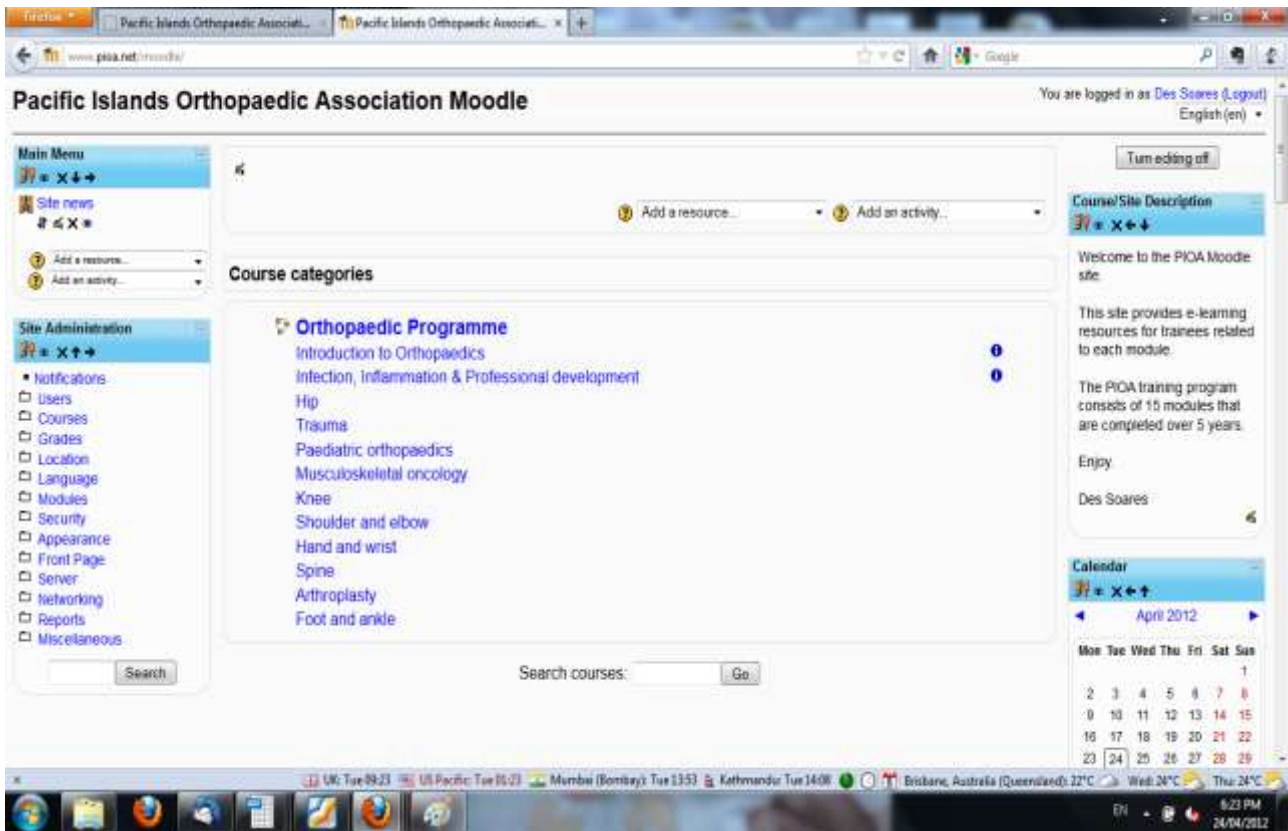

You can add cases for discussion

<http://www.pioa.net/moodle/mod/forum/discuss.php?d=3>

Eventually all modules will be available on the website.

If a student has missed a module they will be enrolled and allowed to do that module in their 3rd or fourth year to catch up.
